Member Dentists, Hygienists and Office Managers welcome.

Registration: 5:00pm to 5:45pm

Dinner: 6:00pm

Course: 7:00 to 9:00pm

(2) Continuing Education Credits Offered

Speaker: Roseanne Cain, BSN, RN, LRHM, ASLNC-C
Patient Safety Risk Manager II, The Doctors Company

Roseanne Cain is a Licensed Healthcare Risk Manager (LRHM), a Registered Nurse (RN) and is American Society of Legal Nurse Consultants Certified (ASLNC-C). She received her Bachelor of Science in Nursing (BSN) from Evangel University in Springfield, Missouri. Ms. Cain is a member of the American Society of Legal Nurse Consultants, the Florida Society for Healthcare Risk Management and Patient Safety (FSHRMPS) and the Central Florida Medical Group Management Association (CFMGMA). Ms. Cain is former faculty of a three-year diploma nursing program, administrator of two Medicare-licensed home health care agencies, a quality assurance and risk manager of an international prevention health care company, and a legal nurse consultant for the defense of medical malpractice.

Ms. Cain has 35 years of experience. She has authored quality Improvement plans and policies and successfully lead international telemedicine teams through URAC and NCQA accreditations. She has testified in court as both an expert and material witness and assisted malpractice attorneys in the preparation of medical and nursing witnesses for deposition and trial.

Course Objectives: At the conclusion of this presentation, participants will be able to:

- 1) Recognize error reduction and prevention strategies
- 2) Describe a root-cause analysis
- 3) Identify patient safety goals
- 4) Recite the most “misdiagnosed” conditions
